## Fire Chief's Report

The following calls were answered:

Chimney Fires	24
House Fires	2
Grass Fires	3
Forest Fires	2
Emergencies	3
False Alarms	2
	<hr/> 36

My thanks to the townspeople and summer visitors for their kindness and aid to our firemen fighting the forest fire of August 7, 1950. During this time, food, coffee and water to drink, were supplied by them for the men.

Burning permits must be obtained from me during the time they are necessary.

Respectfully submitted,

GEORGE F. FAY

*Fire Chief*

## Supt. of School's Report

To the Superintending School Committee and  
Citizens of St. George.

I am submitting my third annual report as Superintendent of your schools.

We have been fortunate to retain the services of all but one of our fine teachers. Miss Lucile Farnham, assistant in the High School, resigned. Her place has been filled by Miss Cynthia Leslie, a graduate of Colby College, with very successful practice teaching experience. Miss Leslie has done an excellent job in her first year with us.

A school band has been started under the direction of Mr. Vere Crockett. More than 20 boys and girls are receiving musical training which will be valuable to them. The mothers and members of the Community Club are co-operating in the purchase of uniforms for this fine group.

### Repairs

Our repair work has included these major items: installation of fluorescent lighting in the 7th and 8th grade rooms at the high school building, placing a fence along the front of the Port Clyde building to prevent pupils from running out into the street, putting bottled gas equipment into the high school laboratory, painting the outside of the Port Clyde building, installing new sink and shelves in the high school labora-

## Annual Report of the Town of St. George

---

tory. Minor repairs account for the remaining expense. Next year the intermediate room, assistant's room at Tenants Harbor, and Wiley's Corner school should have fluorescent lights. We need to finish another section of the fence at the Port Clyde school. New desks are needed very badly for the Port Clyde primary room. It is recommended that the repair appropriation include the cost of this equipment.

### Hot Lunch Program

The lunch program is continuing its successful course. This activity will probably never be self supporting because of the expense for electricity and fuel for cooking. This item of expense is usually assumed by the town. The generous support of the Community Club has made it possible for us to continue the program. There should be an annual town appropriation to meet operating deficits.

### Conveyance

We have combined two of our bus routes, and are using one vehicle on the Port Clyde and Wallaston trips. I want to repeat my statement of last year that the town could save money by using its own equipment. The figures made public last year included all conveyance items, such as drivers pay, insurance, depreciation, and repairs. A careful study should be made of this problem, since transportation is a major item in our school expense.

A bill is now before the state legislature which will enable towns to construct school buildings at a

## Annual Report of the Town of St. George

---

very low annual cost. If this bill should pass, it should have careful consideration in the town. It may be nearly as cheap to construct a new building as to repair old structures which are constantly needing increased money for repairs.

In conclusion I want to express my appreciation to the School Board, teachers, and citizens who have made this year a good one for the boys and girls.

JOSEPH E. BLAISDELL  
SAINT GEORGE

Article 27. To see if the town will vote to raise the sum of \$150.00 to repair the road leading from Horse Point Road in Port Clyde to the residence of Bertie Simmons.

Article 28. To see if the town will vote to raise or procure the sum of \$250.00 for repair on Glemerrer Ridge Church road. This road was surveyed and accepted by the town in 1882.

Article 29. To see if the town will vote to raise and appropriate the sum of \$100.00 for Civil Defense.

Article 30. To see if the inhabitants will vote to accept the sum of \$200.00 for perpetual care of the cemetery lot in Seaside Cemetery on which the bodies of Allen M. and Josephine I. Conary are buried.

Article 31. To see if the town will vote to raise and appropriate the sum of \$200.00 for repairs on Fire House.

Article 32. To see whether or not the inhabitants will vote to raise and appropriate the sum of \$50.00 to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 80, Section 96, of the Revised Statutes of Maine.

Article 33. To transact any other business that may legally come before said meeting.

The Selectmen give notice that they will be in session at the Town Office on Saturday, March 10,

Annual Report of the Town of St. George

---

1951, from 2:00 p.m. to 5:00 p.m. for the purpose of correcting the list of voters.

Given under our hands at St. George, the 27th day of February, 1951.

Respectfully submitted,

JOHN R. HOLLEY

## Fire Chief's Report

The following calls were answered:

Chimney fires	17
Grass fires	3
Brush fires	3
False alarms	5
	<hr/>
	28

My thanks to the town's people for their aid and alertness.

Burning permits may be obtained from me during the time they are necessary.

Respectfully submitted,

GEORGE F. FAY

*Fire Chief*

## Superintendent of Schools Report

To the Superintending School Committee and citizens of St. George.

### Teaching

There were several changes in our teaching staff this year. Miss Charmian Herd, a graduate of Colby College, replaced Miss Cynthia Leslie as assistant in the high school. Mrs. Celia Wallace of Thomaston is teaching the Wiley's Corner School. Mrs. Esther Simmons has the primary room at Tenants Harbor. Mrs. Lelia Armstrong has the position at Clark Island. The town is fortunate in securing experienced teachers for these positions.

### Repairs

We have completed the installation of fluorescent lights in all of the school rooms. Another section of fence has been built at the Port Clyde School.

Next year we should begin work on replacing some of the worn out floors in the high school building. Several rooms will need to be painted during the summer vacation. Some work should be done on the grounds of the building at Tenants Harbor.

### Hot Lunch Program

This year we have had a cut in federal funds for our lunch program. We have also received fewer surplus commodities. There has been no distribution of

## Annual Report, Town of St. George, Maine

---

butter or potatoes this year. These factors have all added to the cost of the program. It seems impossible to continue serving meals unless there is some financial assistance from the town.

### Conveyance

We are now operating two conveyances. These are crowded to capacity. Our conveyance expense is a very large item in the annual budget. There seems to be no easy and inexpensive solution for this problem.

### Budget

Rising costs of all supplies have caused increases in the school budgets in all towns. Some small salary increases have added to our costs of operation. Our State school funds this year were cut about fifteen hundred dollars. This cut resulted in a two year deficit in our report. Since the State property tax will be removed it will be possible to meet increased school expenses without any increase in the town tax rate.

Next year we shall receive an increased amount of school money from the State.

In conclusion I want to express my appreciation for the loyal support that has been given to our schools.

JOSEPH E. BLAISDELL

## Report of High School Principal

To the Superintending School Committee and to the Citizens of the Town of St. George:

I hereby submit my first written annual report of the St. George High School.

### Enrollment for School Year 1951-1952

	Boys	Girls	Total
Freshmen	12	13	25
Sophomores	5	10	15
Juniors	12	7	19
Seniors	2	9	11
	<hr/>	<hr/>	<hr/>
Totals	31	39	70

Enrollment at the High School holds at a fairly constant level and will probably continue to do so for the next few years. At the present time we have five tuition pupils enrolled in the school from the Town of South Thomaston. Where the teacher-pupil ratio of the school is within the limits set for good classroom conditions, these students cause no extra burden and the financial return to the town helps in maintenance of the school.

The object of secondary education is to offer a curriculum which will serve to develop the interests of all its students. Your high school is offering a College Preparatory Course, a General Education Course including Home Economics and Industrial Arts, and a Commercial Course. Very few small high schools in

## Annual Report, Town of St. George, Maine

---

the State offer its students such a curriculum, so we can well be proud of our own school.

It has been brought out by State and National surveys that many students do not take advantage of the opportunities offered to them. Whatever the curriculum offered and regardless of the effectiveness of the teaching program, the attitude of the learner determines to a high degree the success of his education. It would be very difficult to point out a single reason for the poor work some students do in high school, however; it has been brought out that the lack of home study is a major factor. Only by regular and conscientious daily home study, in addition to the time available during the school day, can a student hope to take proper advantage of the opportunities offered by the school.

Because of limited facilities our extra-curricular activities are very few. Of all activities now offered in secondary schools, athletics has the most appeal for both boys and girls. On a competitive basis we are able to offer a few of our boys a chance to play baseball. I believe we are the only school in Knox County not offering our boys and girls an opportunity to play basketball. A good Physical Education and Health Program plus the opportunity for all boys and girls of the town to take an active part in competitive sports should be the concern of every parent in the community.

Your willingness to provide funds to hire an instructor of Instrumental Music and the fine co-operation of the Band Mothers' Club has provided our young people with a very worthwhile activity. There are now forty members in our school band including students

## Annual Report, Town of St. George, Maine

---

from the fourth through the twelfth grade. These students are enjoying the opportunity of playing in an organized band and the training received can be of great help to them in later life.

The opportunities afforded the boys and girls by the Lillius Gilchrist Grace Institute should be appreciated by all citizens of the community. The training received in Industrial Arts and Home Economics is a very necessary part of any good educational program. The trustees of the Institute have allowed us the use of the community kitchen and community room for our Hot Lunch Program. On behalf of the school, I wish to extend sincere thanks to the founders of the Institute for the opportunities that they are providing the young people of this community at no cost to the town.

The Hot Lunch Program has become a very important and necessary part of our school. During a school year, we serve approximately 14,000 meals of which nine percent are free. The initial cost to a student is twenty-five cents. Although the cost of food has steadily increased, the cost to the students has been kept at this low figure to insure maximum participation. The amount paid by the student plus the small subsidy paid by the State will cover only the expenditures for food and labor. If the program is to absorb the cost of utilities and equipment, it will have a deficit at the end of the school year. Some step must be taken to provide funds to cover the costs of utilities which is responsible for this deficit.

What we accomplish in our schools toward the education of our young people is made possible by the loyal support of the citizens of the town and the splen-

## Town Warrant

KNOX SS.

To Lawrence Watts, a Constable of St. George, in the County of Knox,

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of St. George, qualified by law to vote in town affairs, to assemble in the Odd Fellows Hall at Tenants Harbor, in said town on Monday, the 10th day of March, 1952, at nine o'clock in the forenoon to act on the following articles, to wit:

1. To elect a moderator to preside at said meeting.
2. To hear and act upon the report of town officers.
3. To elect a clerk for the ensuing year and fix salary.
4. To elect 3 or more members of the board of selectmen for the ensuing year and fix their salaries.
5. To elect 3 or more members of the board of assessors for the ensuing year and fix their salaries.
6. To elect 3 or more members of the overseers of poor for the ensuing year and fix their salaries.

Annual Report, Town of St. George, Maine

---

7. To elect a treasurer for the ensuing year and fix the salary.
